Height:	8-10	feet
Width:	4-8	feet
Exposure:	Sun-light shade	
Water Req.:	Occasional - once a month or so, depending on temperatures and wind.	
Habitat Value:	Birds	

Comments and Maintenance:

Coffeeberry is an excellent foliage plant with showy fruit. Its branches take on a beautiful reddish color and it has beautiful deep green lustrous leaves, responds well to pruning. This makes it an excellent choice for an informal hedge or to create a screen.The small yellow flowers are not showy but attract a range of pollinators. Berries are attractive (but not edible for
