

Western azalea
Rhododendron occidentale

Photographer: Kathi Dowdakin

Plant Type: Shrub Deciduous
Flower Color: white-pink
Flowering Time: April to June
Height: 3-6 feet
Width: 3-6 feet
Exposure: Sun-part shade
Water Req.: Moderate -every 2-3 weeks or when top 3-4" of soil is dry.

Habitat Value:

Comments and Maintenance:

Glorious displays of fragrant azalea flowers in late spring. Leaves turn bronze to orange in fall. Needs some light to bloom but appreciates light shade, acid soils and regular water. Excellent in containers.
