

Cedros Island Verbena
Verbena lilacina 'De La Mina'

Photographer: Kathi Dowdakin

Plant Type: Perennial Evergreen
Flower Color: Purple
Flowering Time: May to October
Height: 3 feet
Width: 5 feet
Exposure: Sun-part shade
Water Req.: Occasional - once a month or so, depending on temperatures and wind.
Habitat Value: Butterflies

Comments and Maintenance:

Spicy light purple fragrant flowers which bloom from spring to fall make this a garden standout. Shear in the summer to keep mounded. Prune to remove spent blossoms.
