

NATIVE PLANTS APPROPRIATE UNDER OAKS

In Sonoma County all need little or NO summer water.

Botanical Name	S=shrub, G=grass P=perennial, F=fern GC= ground cover	Average height	Each plant will cover ~ ft. sq.	Bloom Color	Bloom Season
<i>Polypodium glycyrrhiza</i>	F	15"	1 1/2'		
<i>Polystichum munitum</i>	F	3'	4'		
<i>Festuca californica</i>	G	10"lv, 2'fl head	1 1/2'		spring-late
<i>Festuca rubra</i>	G	8"lv, 1'fl head	8"		spring-late
<i>Arctostaphylos uva-ursi</i>	GC	8"	5'	pink	winter
<i>Fragaria californica</i>	GC	3"	2'	white	spring-late
<i>Fragaria chiloensis</i>	GC	3"	2'	white-lgr flwr	spring-summer
<i>Mahonia repens</i>	GC	1'	5'	~red leaves~	fall
<i>Ribes viburnifolium</i>	GC	3'	4'	maroon-tiny	spring-early
<i>Vancouveria planipetala</i>	GC	15"	1'	white	spring-summer
<i>Achillea millefolium</i>	P	15"	1'	white, yellow	spring-summer
<i>Armeria maritima</i>	P	15"	1'	lavender	spring-late
<i>Asclepias cordifolia</i>	P	2'	2'	purple&white	summer
<i>Castilleja wightii</i> or <i>latifolia</i>	P	12-18"	8"	yellow --> red	spring
<i>Delphinium cardinale</i>	P	4'-fl stalk	1 1/2'	red	summer
<i>Dodecatheon hendersonii</i>	P	8-12"	1'	pink-purple	spring
<i>Eschscholzia californica</i>	P	12"	1'	orange	spring-summer
<i>Galvesia speciosa</i>	P	2'	2'	red	spring-summer
<i>Iris douglasii</i>	P	12"	1-3'	blue	spring-early
<i>Iris hartwegii</i>	P	18"	1-2'	cream w/ lavender veins	spring-late
<i>Iris macrosiphon</i>	P	12"	1-2'	blue,yellow, apricot	spring-mid
<i>Penstemon heterophyllus</i>	P	12-15"	1 1/2'	blue	spring-summer
<i>Phacelia californica</i>	P	12"	1'	blue	summer
<i>Rosa spithamea</i>	P	2'	5'	pink	spring
<i>Salvia clevelandii</i>	P	3'	3'	dark blue	spring-summer
<i>Salvia sonomensis</i>	P	15"	3'	violet	summer
<i>Salvia spathacea</i>	P	3'	2'	purplish red	spring-summer
<i>Scrophularia californica</i>	P	2 1/2'	1 1/2'	deep pink, small	spring-summer
<i>Sidalcea malvaeflora</i>	P	4"	6"	pink	spring-early
<i>Silene californica</i>	P	15"	1'	crimson	spring-summer
<i>Silene nuda</i>	P	flwr-1'	6"	pink	spring-summer
<i>Sisyrichium bellum</i>	P	8"	6"	blue	spring
<i>Sphaeralcea ambigua</i>	P	2'	1'	apricot	spring
<i>Symphoricarpos mollis</i>	P	4"	5'	white --> pink	spring-summer
<i>Whipplea modesta</i>	P	10"	1'	white	spring-summer
<i>Wyethia angustifolia</i>	P	2'	1 1/2'	lg yellow aster	spring-summer
<i>Calochortus luteus</i>	P (bulb)	12"	8"	yellow-bright	spring -summer
<i>Fritillaria lanceolata</i>	P-lily family	1 1/2'	1'	brown-purple	spring

NATIVE PLANTS APPROPRIATE UNDER OAKS

In Sonoma County all need little or NO summer water.

Botanical Name	S=shrub, G=grass P=perennial, F=fern GC= ground cover	Average height	Each plant will cover ~ ft. sq.	Bloom Color	Bloom Season
<i>Fritillaria recurva</i>	P-lily family	1 1/2'	1'	red-yellow mottled	spring-early summer
<i>Epilobium californica</i> or <i>cana</i>	P or sub-S	2'	2'	red	summer
<i>Epipactus gigantea</i>	P-orchid	2'	1'	cream-brown	summer
<i>Dichelostemma capitatum</i>	P-bulb	1-2'	1'	blue-purple	spring-early
<i>Dichelostemma congestum</i>	P-bulb	1-2'	1'	purple	spring-late
<i>Triteleia laxa</i>	P-bulb	1-2'	1'	blue-dark	spring
<i>Calochortus venustus</i>	P-lily family	1'	1'	white to pink	spring
<i>Zygadenus fremontii</i>	P-lily family	3'	1'	white	spring-early
<i>Carpenteria californica</i>	S	6'	4'	white	summer
<i>Ceanothus griseus horizontalis</i>	S	4'	4'	blue	spring
<i>Ceanothus integerrimus</i>	S	12'	8'	white	spring -late
<i>Ceanothus purpureus</i>	S	3-6'	4'	deep blue	spring -early
<i>Cercis occidentalis</i>	S	12'	6'	magenta	spring
<i>Heteromeles arbutifolia</i>	S	10'	6'	white	spring
<i>Holodiscus discolor</i>	S	8'	5'	white	spring
<i>Lonicera involucrata</i>	S	6'	8'	red & yellow	spring-late
<i>Lupinus albifrons</i>	S	2'	3'	lavender	spring-late
<i>Lupinus arboreus</i>	S	4'	5'	yellow	summer
<i>Mahonia pinnata</i>	S or GC	2'	3'	yellow-small	spring
<i>Mimulus aurantiacus</i>	S	3'	3'	golden	spring-summer
<i>Physocarpus capitatus</i>	S	5'	8'	small white	spring-late
<i>Rhamnus (Frangula) californica</i>	S	6'	6'	inconspicuous	spring-summer
<i>Ribes aureum</i>	S	5'	4'	yellow	spring
<i>Ribes sanguineum</i> var <i>glutinosum</i>	S	8'	4'	pink	winter-late
<i>Ribes speciosum</i>	S	5'	4'	crimson	spring-early
<i>Romneya coulteri</i>	S	5'	8'-spreads	4" white with yellow ctr	summer
<i>Symphoricarpos rivularis</i>	S	4'	5'	whitish pink	spring-late
