SUBJECT:     - California Native Plant Society Plant Reserves  
              - Organization Contact

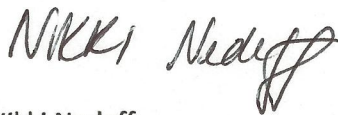

Dear Mr. Houlemard:

Please make note that the formal organizational contact for the Monterey Bay Chapter of the California Native Plant Society (CNPS) is the President of the organization. The address for all correspondence and notification of FORA activities is: Chapter President, CNPS-MB, P.O. Box 221303, Carmel, CA 93922.

The President of the Chapter is the contact person for all purposes and no other person is authorized to represent the Monterey Bay Chapter of CNPS. Thank you for updating your address list.

I would like to meet with you to receive an update on the status of all CNPS Plant Reserves in the former Fort Ord. Specifically, I'd like to discuss protections in place for Plant Reserve #1 and the Reserve Expansion Area identified in the 1999 legal agreement between the Monterey Bay Chapter of CNPS, the City of Del Rey Oaks, and the Fort Ord Reuse Authority. Please let me know when a meeting can be scheduled.

Thank you,

Nikki Nedeff  
President
